From the Administrator:

Greetings,

Summer has ended, kids are back to school, and fall is upon us. I hope that everyone had a safe and enjoyable summer. I am excited to announce that we will be holding our first ever Maplecrest Fall Festival. It will be on Saturday, October 15th, 2022, from 12:00 -3:00pm. We will be having food trucks, entertainment, games and other fun for residents, families, and the community. Invitations for this event will be going out soon. Please mark your calendars. I hope to see all of you there!

If you have visited lately, you have likely seen some of the progress we have made with our painting and flooring projects. Though not completed yet, things are moving forward, and we hope to have things wrapped up as quickly as possible. Again, I appreciate everyone's patience as we work through these renovations. We are very excited for everyone to see the finished product!

As stated in prior newsletters, we continue to deal with Covid-19. With fall upon us, we anticipate an increase in community cases, as well as cases of the seasonal flu. If you are not feeling well at any point in the next few months, please refrain from visiting. Our staff have done a great job managing Covid-19 throughout this pandemic and will continue to focus on providing the best care possible to residents moving forward. Your assistance in helping keep residents safe is greatly appreciated. Thank you!

God Bless,

Clinton Ansell
Administrator

September Birthday Party Fun

COVID UPDATE

Active Resident Covid Cases: 0
Active Resident Covid Cases YTD: 1
Employee Covid Cases (YTD): 20

Maplecrest continues to complete all CMS required routine testing. Infection control procedures are ongoing per facility policy. All employees without medical or religious exemptions are fully vaccinated or have received their first dose of a two-dose series.

The CDC has recommended a second booster shot for anybody over the age of 50. A new booster shot has been developed and is now available. We will be offering this booster to residents and staff if eligible. Covid cases are beginning to climb again across the nation and throughout Ohio with multiple new variants. We ask that you please continue to comply with the facility infection control standards while visiting. Masks should be worn while in common areas of the facility. We encourage outside visitation weather permitting.

Any questions regarding Covid-19, Covid Vaccines, or facility protocols, please contact facility Administration. Maplecrest will continue to update you of any positive staff or resident cases or changes to protocols.

Meet The Staff

Angel Walker
State Tested
Nurse's Aide

Angel has been working at Maplecrest for about a month now. She loves helping people. She has been a STNA for 12 years and has also worked as a medical assistant and in phlebotomy. In her free time, Angel enjoys taking trips with her kids to places like Great Wolf Lodge and the Columbus Zoo.

Welcome to the team, Angel! We are so happy to have you with us!

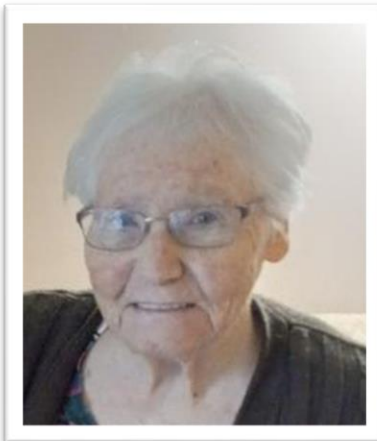

A Note from the Business Office

Greetings from Lynnsey in the Business Office! I want to put out a friendly reminder to please not give your loved ones cash directly. If you would like to give them money or if they are requesting some, please give it to a nurse or reach out to me, and I will then put it in their Personal Needs Account. This makes the transaction more secure. Also, effective October 1, 2022, my business office hours will be changing. I will be unavailable on Thursdays to tend to other office responsibilities. I will be available by appointment any other day from 7:00a.m. to 3:00p.m. My goal is to give everyone my undivided attention when I am with them because you all are very important to me. Please feel free to call the facility and speak to the receptionist to set up an appointment. For any immediate needs, I can also be reached by email at: LCandella@MaplecrestNursing.com. As always, here at Maplecrest Skilled Nursing and Rehabilitation, your loved one is our top priority! Thank you, and Happy Fall!

Resident Spotlight

Naomi was born on October 25th. She was a medical secretary for an X-ray department. She and her husband have two children – a son and a daughter. They used to have a dog named Newt. Naomi enjoys playing bingo and doing puzzles. She also loves traveling with her husband. Fun fact: they have visited every state but three! Naomi's favorite food is potato salad and her favorite color is blue. Her favorite memories are of life on the farm as a young woman. Naomi's advice to the younger generation is:

“Be Kind.”

October Birthdays

In astrology, those born from October 1–22 balance the scales of Libra. Libras strive for equilibrium and symmetry and flourish in harmonious partnerships. Libras surround themselves with balanced environments. Those born from October 23–31 are Scorpios. Scorpios cherish the truth and are not afraid to go to extraordinary lengths to uncover mysteries and get what they want.
