From the Administrator:

Greetings,

September has arrived! I'm sure many of you are excited for cooler weather, football season, and the changing of the leaves. August brought us a significant storm that resulted in trees falling and property damage. I am so thankful that the storm was not worse and that nobody was injured. I am extremely proud and appreciative of our staff for their rapid response to keep residents safe both during the storm and after. I greatly appreciate everyone's patience as we worked to clean up and repair the damage.

In addition to weather, we had to deal with Covid last month. It is likely that it will rear its ugly head yet again in the coming months. If you develop any cold/flu symptoms, please try to refrain from visiting to help us control the potential spread of illness. Hand sanitizer and masks are readily available if you need them. Information on the 2024 Flu Vaccine and Covid Vaccine will be shared with you as soon as its available.

Lastly, be on the lookout for information on our Annual Fall Fest Event on October 19th. It will certainly be something that you do not want to miss!

Happy Fall!

God Bless,

Clinton Ansell
Administrator

Meet The Staff

Tiffany Crane, RN Admissions/Marketing

Tiffany has been at Maplecrest for 3 years. One of her favorite things about working here is the ability to form relationships with both the residents and their families. Before she became a nurse, Tiffany worked at General Motors for 12 years. During that time, she went to Germany for 3 months to learn about electric vehicles. She is a mom to a very energetic 7-year-old boy. In her free time, she is usually running, driving or planning either a sporting event or extracurricular event for him or with him.

"Tiffany has truly excelled in her role with Maplecrest. She is always willing to help others and does so with a smile on her face. We are very fortunate to have her as part of the team."

September Birthdays

Those born between September 1–22 are Virgos. Virgos are considered shy and sometimes naïve, private, and very tidy. They are also curious explorers who are incredibly loyal and well respected by their friends and colleagues. If you were born between September 23–30, you balance the scales of Libra. Libras are very social, seek harmony through compromise, and have strong powers of critical thinking.

Happy September Birthday to Our Residents!
